**DEFENDANT’S RESPONSE TO PLAINTIFFS’ MOTION FOR EXTENSION OF TIME
TO FILE BRIEFS**

COMES NOW defendant in the above-styled cause and responds to plaintiffs’ motion filed July 26, 2007 as follows:

1. Defendant was required to file its brief in support of its motion for summary judgment prior to the expiration of discovery. Plaintiffs would have an advantage if they were not required to respond until after the expiration of discovery. Accordingly, defendants must object to the plaintiffs’ motion.

2. However, if the Court extends the time for plaintiffs to respond until after discovery has been completed; in fairness, defendant respectfully moves the Court to enter an order that defendant’s reply brief is not due until two weeks thereafter. Accordingly, each of the parties will have been enabled to brief the issues after the completion of discovery.

Respectfully submitted,
